INTRODUCTION

We thank you for your interest in our company and we are pleased to confirm our intention in cooperating with you on your on-going and future projects and for any services with respect to our line of business.

This is to formally introduce to you our company **MECHATRENDS CONTRACTORS CORPORATION** was established in May 1992, a SEC Registered organization under **S.E.C. Article ASO92-0000002529** whose main business purposes is to provide expertise/experience and professional services in the field of steel fabrication and construction, and technical assistance and consultancy in the petrochemical industry (oil and gas), Power and Energy, Food, Manufacturing, Telecommunications and other Industrial Sector.

We have a distinctive competence and capability to fabricate, install and repair and maintain pressure vessels, storage tanks, pressure piping, structural and warehouses and other similar steel products. The men and officers of the organization have wide and varied exposure in the field of LPG and petroleum-related products and other fields of engineering discipline and have extensive expertise in the area of steel fabrication and construction.

For your information, we give below brief highlights of our Company:

A KEY PERSONNEL

The President and General Manager, **Engr. Abelardo C. Papa**, has an extensive experience in LPG and other petroleum-related products having been connected with Pilipinas Shell for the past 17 years and handled various line and operation-related responsibilities within Shell Companies and its affiliated companies. His last assignments as Logistics Manager gave him considerable exposure and responsibility in the overall aspects of distribution and engineering.

The Operations Group has a vast experience and knowledge in the construction and erection of storage tanks, installation of process and product piping, repair and maintenance of petro-chemical depots, facilities and equipment.

We have a division in Civil and Electrical Engineering comprising of competent and professional individuals all experts in their field of discipline.

A total of 85 full time engineers support the project construction/execution group of the Company. These people have different engineering backgrounds and varied work experiences in the field of mechanical, civil and electrical engineering.

MANAGEMENT TEAM:

NAME	DESIGNATION
Abelardo C. Papa	President/ General Manager
Romeo G. Garingalao, Jr.	Vice-President for Engineering
Arnold Tristan L. Papa	Vice-President for Operations
Annaliza S. Burog	Vice-President Admin & Finance
Eduardo Peregrina	Vice President Technical Consultant
Richard A. Aspillaga	Technical Consultant
Maribel V. Macuja	Contracts & Services Manager
Marcco V. Maranga	LPG Business Manager
Lynus Camil Junio	Design & Technical Services Manager
Rhyan Geronimo	Shell Business Unit Manager
Cristina V. Bibera	QA/QC Manager
Alvin Thomas L. Papa	Logistics Manager
Christian Burton	Tanza Plant Manager
James Andre Llana	Procurement Manager
Joey Christian G. Regondola	Operations Services Manager
Mark Alvin Flores	Assistant Operations Manager

B. PRODUCT LINES

MECHATRENDS CONTRACTORS CORPORATION is capable of providing designs, construction, repair and maintenance, technical assistance and consultancy services falling under the scope of mechanical, civil, and electrical engineering. In particular, the following:

1. Professional services in the field of steel fabrication and construction, technical assistance and consultancy in the petrochemical industry (oil and gas), Power and Energy, Food, Manufacturing, Telecommunications and other industrial sector.
2. Distinctive competence and capability of providing services particularly in highly specialized works in the field of LPG (Liquefied Petroleum Gas), Mechanical Fabrication, Process and Product Piping, Construction and Erection of Storage Tank.
3. Design, fabricate, install and commission Pressure Vessel up to 200MT LPG capacity; LPG Storage and Refilling Facility; LPG Filling Carousel System of all brands; and install and services all types of LPG equipment for industrial and domestic usage.
4. Design, Construct and Re-qualify Vertical Storage Tanks and LPG transport vehicle of different capacities for the storage of petroleum products.
5. Fabricate and install all types of piping works including submarine pipelines.
6. Project conceptualization and planning, Land Development, Horizontal and Vertical (medium rise buildings) Construction, Industrial Plants, Maintenance, repair, technical assistance and other Civil Engineering works.
7. Provides engineering services such as drafting and project support.

C AFFILIATES

- **EXCLUSIVE DISTRIBUTOR OF:**
CLESSE INDUSTRIES Regulators, Meters and Valves
ALPHA PROCESS Safety Breakaway Coupling

D. OPERATING UNITS

We have operating units in Pandacan, Iloilo, Cebu and Davao to service Vis-Min. Area.

Metro-Manila

S.E.C. Reg. No. AS092-0000002529

TO ALL TO WHOM THESE PRESENTS MAY COME, GREETINGS:

WHEREAS, Articles of Incorporation ^{and By-Laws} duly signed and acknowledged for the organization of the

MECHATRENDS CONTRACTOR'S CORPORATION

and in accordance with the provisions of the Corporation Code of the Philippines, as amended, and the Securities Regulation Code, approved on May 1, 1980, were presented for filing in this Commission on April 8, 1992, and a copy of said Articles of Incorporation ^{and By-Laws} are hereto attached;

NOW, THEREFORE, by virtue of the powers and duties vested in me by law, I do hereby certify that the said Articles of Incorporation ^{and By-Laws} were, after due examination to determine whether they are in accordance with law, duly registered in this Commission on the 8 day of April Anno Domini, Nineteen Hundred and 92.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the seal of this Commission to be affixed at Mandaluyong, Metro Manila, Philippines, this 8th day of April, in the year of our Lord nineteen hundred and ninety-two.

**CERTIFICATE OF FILING
OF
AMENDED ARTICLES OF INCORPORATION**

KNOW ALL PERSONS BY THESE PRESENTS:

THIS IS TO CERTIFY that the amended articles of incorporation of the

MECHATRENDS CONTRACTORS CORPORATION
(Amending Articles II Primary & Secondary Purposes and VII thereof)

copy annexed, adopted on March 31, 2025 by a majority vote of the Board of Directors and by the vote of the stockholders owning or representing at least two-thirds of the outstanding capital stock, and certified under oath by the Secretary and a majority of the Board of Directors of the corporation was approved by the Commission on this date pursuant to the provision of Section 15 of the Revised Corporation Code of the Philippines, Republic Act No. 11232, which took effect on February 23, 2019 and copies thereof are filed with the Commission.

Unless this corporation obtains or already has obtained the appropriate Secondary License from this Commission, this Certificate does not authorize it to undertake business activities requiring a Secondary License from this Commission such as, but not limited to acting as: broker or dealer in securities, government securities eligible dealer (GSED), investment adviser of an investment company, close-end or open-end investment company, investment house, transfer agent, commodity/financial futures exchange/broker/merchant, financing company, pre-need plan issuer, general agent in pre-need plans and time shares/club shares/membership certificates issuers or selling agents thereof. Neither does this Certificate constitute as permit to undertake activities for which other government agencies require a license or permit.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of this Commission to be affixed to this Certificate at The SEC Headquarters, 7907 Makati Avenue, Salcedo Village, Barangay Bel-Air, Makati City, 1209, Metro Manila, Philippines, this 26th day of December, Twenty-Five.

ENVIRONMETAL, HEALTH AND SAFETY POLICY

MECHATRENDS

MECHATRENDS CONTRACTORS CORPORATION

ENVIRONMENTAL HEALTH AND SAFETY POLICY

MECHATRENDS Contractors Corporations (MCC) is committed to providing environmental, health and safety protection to its employees, clients, and the local community who may be affected by its products and /or activities. This commitment is of equal importance with the other business goals of the Company.

MCC believe that all accidents can be prevented through effective safety management involving all levels of the organization. Through formal on the job training, every employee will be made aware of their responsibility towards EHS issues involved in their jobs.

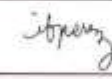

MCC is committed to reducing waste generation and emission to the air, land and water in its job sites. MCC will strive to reduce, reuse and recycle materials and will ensure that any waste is properly disposed of in a safe and environmentally sound manner.

MCC will comply with all applicable regulatory requirements and will implement programs and processes to ensure that the Company's Environmental, Health and Safety policies are upheld at all times.

MCC will establish and maintain appropriate controls, including periodic management and third party review to ensure that this Policy is being followed and continuous to be effective.

QUALITY POLICY

MECHATRENDS

MECHATRENDS CONTRACTORS CORPORATION

QUALITY POLICY

MECHATRENDS is committed to consistently provide good quality products and services that will fully meet or exceed the requirements and expectations of its customer at all times. This shall be achieved through the implementation of its Quality Management System, compliance with international standards, local codes, statutory and regulatory requirements and employing qualified and trained personnel.

We will actively pursue continuous quality improvement through programs that enable our employee to do their job right the first time and every time.

The Quality Management System of the company shall be maintained and further improved through periodic reviews and feedbacks from our stakeholders to ensure its effectiveness and compliance in achieving customer satisfaction and expectations.
